

Pacific Northwest National Laboratory (PNNL).

Dear Members of the Search Committee,

I am writing to apply for the position of Post Doctorate RA. I am a doctoral candidate employing both economic theory and empirical analysis to answer economically and socially relevant questions. I will complete my Ph.D. in Economics from the University of Illinois, Urbana-Champaign in May 2022.

I am extremely interested in joining PNNL. During my research and studies I have gained and honed skills that make me an excellent fit for the position of Post Doctorate RA, including:

- conduct and design of economic research,
- expertise in advanced statistical and econometric analysis,
- proficiency in Python and R,
- effective communication demonstrated by drafting and presenting reports of academic research for a wide variety of audiences,
- proven track record in collaborative and independent work, and capability of publishing in peer-reviewed journals.

In addition, my experience as a Teaching Fellow at the University of Cyprus and Head Teaching Assistant at the University of Illinois demonstrate my professional progress and capabilities. My years as an instructor have sharpened my verbal and written communication skills to effectively communicate with a broad range of audiences.

I will bring these assets and more to PNNL. I find the research philosophy at PNNL very stimulating, and I am excited by the prospect of contributing to its important mission.

Included in my application is a copy of my CV. Letters in support of my application from Professors Dan Bernhardt (Chair), George Deltas, and Stefan Krasa can be requested from the proxy person in our department Tera Martin-Roy at econ-phdjobs@illinois (or tnmartin@illinois.edu).

I can be reached via email at ecnstnt2@illinois.edu or by phone at +1-217-721-5834.

Please do not hesitate to contact me if there is any additional information that I can provide.

Thank you very much for your time and consideration.

Sincerely,
Evangelos Constantinou
